Hobbies

- Photography
- Playing Badminton
- Listening to music

Strengths

- Problem solving
- Self-Learning
- Time Management
- Multitasking
- Team Management.

Academic Projects

Language Translator

Duration: [August/2023] - [October/2023]

As a Project Intern at HCL, I played a pivotal role in conceiving and developing a dynamic Language Translator website. Leveraging my expertise in HTML, CSS, and JavaScript, I successfully designed and implemented an intuitive platform that facilitates seamless language translation.

Certifications

- Data Base Management System | NPTEL
- Python for Data Science | NPTEL

Co-Curricular Activities

- Volunteered ADOBE photoshop Workshop in College.
- Donated blood for NTR Trust Foundation.
